Disability Support Agreements

The University has a dedicated Disability Support and Inclusion Service to assist students in accessing the programme. To utilise the Disability Support and Inclusion Service medical evidence ideally should be provided prior to starting to ensure adjustments are put in place promptly. On receipt of the medical evidence the Disability Support and Inclusion Service will create an individual Disability Support Agreement detailing the course and assessment adjustments where appropriate. These are then communicated to tutors and assessments officers to implement the adjustments.

The University is able to provide diagnostic assessments with an Educational Psychologist for students suspecting a Specific Learning Difficulty (SpLD) for example: Dyslexia, Dyspraxia, ADHD, and Dyscalculia.

that there is a clear correlation between attendance and pass rates. We may be asked by a prospective employer to give details of a particular student's punctuality, attendance and/or participation and progress.
